

# Solo's Lodgings Scheme – if you're looking for accommodation how does it work?

If you are looking for accommodation you may already have visited your local authority and so you could be referred to us by them, by other agencies or you can simply approach Solo by yourself.

You could be claiming welfare benefits or in work. We will interview you, and if we think there is a good chance of matching your needs to that of the landlords on our register we'll set up a meeting. If both you and the landlord are happy with the arrangement, you can move in.

Our free scheme has been running for many years so why not give us a try?

We currently provide our lodgings service in the following local authority areas:

Babergh  
Colchester  
Mid Suffolk  
South Norfolk  
Suffolk Coastal  
Waveney
